

Temple Beth-El

2017/5778 Scroll of Remembrance

New Listing

At this season we recall the lives of those who live within our hearts by including their names in our sacred Scroll of Remembrance. In its pages we witness our family's story and our connection with our community. Our loved ones are once again united with their friends and neighbors, the people with whom they laughed, cried and prayed, and are bound together in this treasury of life.

The High Holidays are a time for reflection and memory. It is a time when we look into our souls and reflect on our heritage.
