

**THE BEATLES: THEIR HISTORY IN ONE HOUR
A FABULOUS VIRTUAL EVENT WITH GARY WENSTRUP**

Sunday, March 7, 2021 at 7:00pm

People listened to 1.7 billion Beatles songs on Spotify in 2019. The Fab Four may have broken up 50 years ago, yet their outsized influence on our very expectations of what defines popular music is alive and singing.

Come hear the story of the Beatles from Love Me Do to Old Brown Shoe, an arc that stretches from Liverpool to Beatlemania up to Lucy in the Sky back down to...well...Paul is still performing. There is way more to this tale than the ballad of John and Yoko, and it is all told through their own songs and interviews. Though their music is timeless, you will be amazed what you can learn about the Beatles in only an hour.

TBE Sisterhood is sponsoring this Virtual Event.

The cost for the event is a minimum of \$20.00 per email link.

To pay by check, [RSVP HERE](#) and make out your check for \$20 per link by March 1 to TBE Sisterhood and mail to:
